Commodore

Large group of visitors from Oakville Yacht Squadron graced us with their presence last weekend. We easily accommodated their eleven boats and all their folks who enjoyed a Jimmy Buffet Party on the Saturday night. Well done Don Williams on setting this up. A fine group of folks.

Sad news re Mike Leithead received this week. Mike was a fairly new member who owns the CS 27 which is now for sale if anyone has interest. The club has made a donation the Hospice Georgian Triangle – Campbell House in his memory.

Word has gone out to all the yacht clubs on the lake on behalf of our members who do not currently have winter storage for their boats at AYC. The request on ours and NYC's behalf is to provide preferred pricing for winter storage if other clubs have open capacity. Now we wait to see what shakes out of it. I will report back later in the month on the results.

Almost over for another wonderful season. The water is finally dropping over 1 ft in the last week (amazing). We need to have another chain adjustment party (to be confirmed). The main water hose will be replaced before haul out so it will be in place before launch. We will also be replacing some pedestal bases.

See you all at the pig roast.

Phil Dunk

House Director

As September rolls around and the days are getting shorter, I would like to remind members that the usage of the club house will be more evident. That means that those who are on Site Maintenance are filling an important job in keeping the club house clean and tidy. To date we have had several "No Shows." Those who didn't show up or failed to find someone to cover their shift have let club members down. The foundation of Alexandra Yacht Club is a self-help club and it is part of the spirit of what makes this club special. Please make sure that if you do show up that you fill out the Maintenance form as it is the only way we have to know that you have fulfilled your duties. A final reminder that Site Maintenance is in effect right up to November 8th. So please make sure that you fulfill your commitment to the club.

Best regards,

Phil Dunk
