Board of Directors Report

Ken Daisley

Commodore

Nothing to report. Happy New Year.

Dan Peel

Vice Commodore

Nothing to report. Happy New Year.

Greg Shears

Rear Commodore

I hope everyone has enjoyed the holiday season & welcomed the New Year in with loved ones. Now that the eggnog rum & turkey legs have worn off, I will attempt to get our weed camera working for hours of ice watching enjoyment.

July & August are my favorite months for checking the docks until then...as of [December 30th 2018](#), an inspection proved everything is both high and dry. The bubbler has been unplugged due to the balmy weather and I will re plug when there is an ice warning.

Until the next time, stay warm!

Coline Smith

Secretary

Nothing to report. Happy New Year.

Keith Whalen

Treasurer

Treasurer's Report - "Happy 2019"

Just a reminder that all invoices for Summer 2019 have been sent. If you have not been able to locate yours, please let me know. Payments are due on January 31, 2019. If I do not receive your payment, I will be issuing another invoice to you for late fees.

Board officials are busy putting together their budget requests, both

needs and wish list items. I will present the Board requested budget at our Spring AGM.

As usual, you can find our monthly financial statements on the Members Website. I will continue to work with the new accounting system to produce reports that are of interest. Additionally, I will continue to work with members of your Audit Committee through out the year.

Thanks again to Robi for looking into our fashionable Regalia program and for our Ice Man - Gary for taking care of all your cooling needs in 2019.

Wishing you and yours a very happy, healthy, safe and prosperous 2019... and may we all get to use our boats more than we did in 2018!

Phil Dunk

House Director

Nothing to report. Happy New Year.

Alison Honey Woods

Social Director

Happy New Year!

I'm looking forward to organizing some great events at the club this year and would like to take this opportunity to remind members that volunteering for social count as work hours! Buying beer for Hug Your

Boat could get you an hour or 2,
helping clean up after a party could
get you 2-4 hours. Help make 2019's
the best events yet - step up and join
the social committee. It's a great way
to get hours while you socialize and
contribute to the fun spirit of this
club.

Contact Alison at social@ayc.ca and
find out how you can help to make
our events happen.

Thanks!

Ken Chumik

Membership Director

Nothing to report. Happy New year.

Lee Silver

Communications Director

Happy New Year AYC!! I am in the process of centralizing all of our data to one database. This might not affect you directly, but will make life a lot easier for the BOD members organizing your information.

Marine Diesel Courses

Over the past several seasons Alexandra members have attended and enjoyed the Marine Diesel engine courses I have offered. I will be running them again this winter and would like to get the information out to your members. [Click here for all the details.](#)
