

# Bow Wave - March 2019

Your monthly dose of AYC news

### *Mark Your Calendars*

- **March 23, 2019 12:30pm - Hug-Your-Boat**

## **Ken Daisley**

**Commodore**

Roll on spring

Well everybody, it's getting close. I look forward to seeing everyone at the up coming club events. Diane and I are sitting in the departure lounge at Pearson heading south to enjoy some sunshine. Our directors are busy doing all their good work in preparation for launch and we look forward to sharing our outcomes with you all.

See you soon

Ken and Diane

## **Dan Peel**

**Vice Commodore**

Vice Commodore's Report.

If you haven't been down to the club lately the strong winds have damaged some of the winter covers. Please check them when you can or have a fellow member check your boat for you. Careful, the yard is very icy and snowy.

Looking forward to seeing many of you at Hug Your Boat.

Cheers.

## **Greg Shears**

### **Rear Commodore**

Looking out at our water-lot it's hard to believe that in 2 month's we will be launching boats. The docks seem to have held up quite well under the changing weather patterns however, we do have a problem with our crane The Smitty. It appears to have ice damage to the flotation barrels.

This is a result of some unauthorized person's randomly unplugging the bubbler.

Unless you plan on monitoring this daily, do not touch it.

If you notice a problem report it to me or another board member for quick response .

## **Coline Smith**

**Secretary**

Nothing to report.

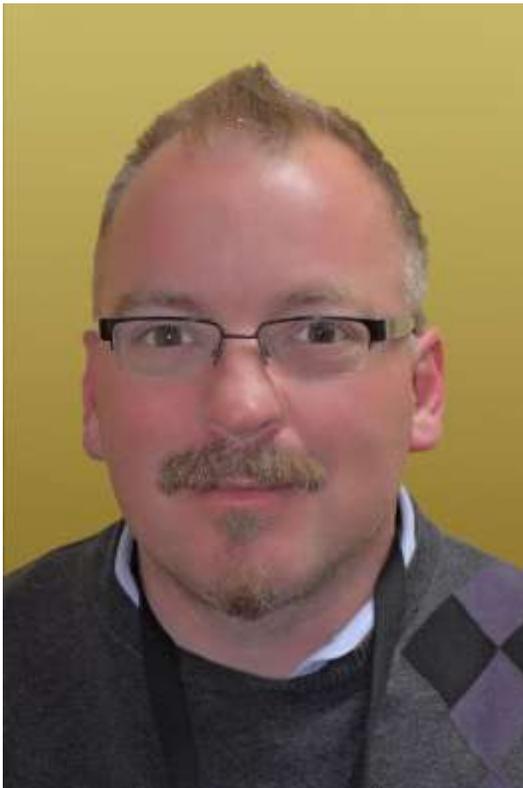

## **Keith Whalen**

**Treasurer**

Treasurer's Report

“Everything is going as can be expected”....no new \$ issues. Working to finalize our Board and Club insurance policies for year.

Your Board Members have provided their Budget requests for the year. I will continue to work with them to finalize the numbers for the Spring meeting.

Looking for a volunteer who has strong administration and organizational skills. Final phase of office clean up...looking for fans of Maria Kondo (Netflix)!

Updated monthly financials for Feb 2019 will be uploaded to Members Site early next week.

Only 62 more sleeps TIL Launch!

## **Phil Dunk**

### **House Director**

It's hard to believe that another month has gone by since the last newsletter went out.

I am still getting quotes from suppliers and will have final cost and scope of the washroom reno soon.

The last newsletter stated that members would have an opportunity to vote on the go ahead for the reno at Hug Your Boat. It has been

decided not to do that at this time.  
We will advise members later when  
that will take place.

Other than that everything is okay  
around the club.

One caution, the snow is melting  
around the club and some areas are  
shear ice. Getting salt is almost  
impossible since the last snow storm  
and as result there are areas that  
members need to be aware of the  
hazards. Please take care!

Phil

## **Alison Honey Woods**

**Social Director**

Hug Your Boat is just around the  
corner. Come out to the  
clubhouse [on Saturday 23rd](#)  
[12:30](#) for lunch and a drink. Catch up  
with old friends and make some new  
ones.

If you would like to join the HYB work party please contact

Alison [social@ayc.ca](mailto:social@ayc.ca) - get a head start on 2019 work hours while you socialize!

## **Ken Chumik**

**Membership Director**

Nothing to report this month.

## **Lee Silver**

### **Communications Director**

We're almost finished centralizing all the clubs data. All directors now have access to their own section of the web portal where they can change information only related to their role.

Bruce Buttimore has been working feverishly on this and I am amazed at the speed and quality of work being produced by him on a volunteer basis. Hats off to Bruce for his tireless work behind the scenes.

Spring is around the corner and I'm hoping to start seeing people around the club. Hopefully I will see you at Hug Your Boat this month.

Lee

## **Gareth Clemo**

### **Fleet Captain**

Children's Life Jacket Pool.

This year, we are planning on setting up a dock box near the seawall. The purpose of the dock box is to store kid's life jackets that members and guests can use. I'm hoping that AYC members have life jackets that their families have outgrown cluttering up their boats/lockers that they will be willing to donate to the cause.
