Rear Commodore

I look forward to serving you again this year as Rear Commodore.

We anticipate another busy season next year. According to precipitation reports there will be no improvement in the high-water levels this upcoming spring and summer.

Docks are in good shape and well positioned for the winter freeze.

If you're around the club in the off season and notice any irregularities with the docks, seawall or the bubbler, please contact a board member immediately.

I hope to see everyone at the Wine and Cheese. Wishing you all a happy holiday and a Happy New Year.

The wash room renovations will be starting soon. Because of the extra work involved in adding the third water closet and shower, in the ladies wash room, I will be shutting down the Ladies wash room after the December 7th. The Men's wash room will be available until January 6th. If ladies are at the club after the closing of the washroom, we will be treating the men's wash room as a unisex wash room. We will discontinue the use of the urinals at this time. The expectation is to have the washrooms completed by the end of January.

I would like to thank those members who have stepped forward to help or if you have missed me and would like to help please contact me.

Best regards

Alison Honey Woods

Social Director

Thank you to everyone who helped make all of the 2019 events so successful and fun to organize. I am looking forward to another year in the role of AYC Social Director.

Merry Christmas and Happy New Year. I'll see you all at Hug Your Boat in March!
