Ken Daisley

Commodore

Happy 2020 Everyone and I hope we all had a great holiday.

Next week begins 2020 with our second board meeting and we will be busy developing our plans for 2020 activity. I'm sure your Board of Directors will have plenty of plans to add to the agenda for the year. Look forward to working together on this.

By now our bathroom retros are well under way and I am looking forward to seeing the progress on my next visit to the club.

This time of year, most are planning winter getaways to the sunny south to escape the Canadian cold and I wish everyone who is planning a trip a safe and warm vacation. See you all around the club.

Greg Shears

Rear Commodore

Not much to report, the docks are great despite the winter weather. I do hope you are ringing in 2020 with family, loved ones and friends. Enjoy your celebrations.

Stay warm,

Greg

Phil Dunk

House Director

It's a new year and like all members we are looking forward to a great upcoming sailing season. Along with that comes a little work to prepare the clubhouse for that time. The washroom renovations were right on time until we hit a wall or should I say a floor. It turns out the floor was not built according to the drawings on hand. This has set us back a little concerning adding the third water closet and moving the shower. This has some impact to the timing of the finish of the renovations but will not create an issue with the use of the washrooms. Until it is resolved the men's washroom will remain usable for all members until further notice. We will keep you updated via the News Letter and or special announcements. I will be looking for 3 or 4 people to help with the painting.

Best regards

Phil

Alison Honey Woods

Social Director

Happy New Year everyone.
