

AGM Update

There will be an AGM this year to be held virtually.

The only people in physical attendance will be the current Board of Directors. All business requiring the approval of membership will be held over to the Spring AGM except for the election of the new board.

We have nominated Paul Oliver as our elections coordinator who will have the duty to manage the election (once again) virtually using email communications. If necessary, members will be receiving a ballot via email to be completed and returned prior to our AGM on November 18.

Bottle/Can returns for benefit of Covenant House

Fellow AYC members:

Thanks for all your refundable bottles and cans, by placing them in the special bin. The bin has just been moved to the covered area under the upstairs balcony out front of the clubhouse. Handier as it is now very near the large blue garbage bins. Please help me with this returns program. I intend to keep up the returns program throughout the winter. Last 2+ years Covenant House was given a donation each year of around \$1,500.

Thanks, Joe Koole
