

Message to the Membership

January 3, 2022

Hello all AYC members:

The provincial government has added new stipulations to their Covid-19 restrictions that effect AYC and its membership. Specifically:

1. Indoor capacity has been cut from 10 members to 5. Outdoor has been cut to 10 members until further notice.
2. Please refrain from consuming food indoors or using the AYC kitchen until further notice.
3. Please do not bring guests or outside contractors to the yard or the clubhouse until further notice.

I'd like to quickly say to the membership that if you can stay home, please do, at least for the time being. If you wish to check on your boat, be efficient about it. Let's not have members hanging around for long periods of time.

I'd like to add that in a way we are lucky that these new restrictions have come in the first week of January – our boats are tucked away and there are few, if any, maintenance projects that we can do when it is -10c anyway, which takes some of the sting out of these new regulations.

So, we all know the drill, let's follow the rules and get through the coldest month of the year unscathed as a membership.

Cheers & stay safe -----> Nick
