

Alexandra Yacht Club is Now Open to Reciprocal Visitors

AYC is now open for visitors from reciprocal Canadian yacht clubs (sorry to our American friends, but the border is still closed). We require advance booking to control the number of members on site. We require that any visitors sign a Covid 19 waiver, demonstrate status as fully vaccinated, and wear a mask in all common locations on the property and docks. We require that all visitors assist in disinfecting and facilities that they come in touch with. To reserve a slip please contact Rear Commodore, Geoff Gurr at rear-commodore@ayc.ca.
